INDELIBLE IMPRESSIONS

Indelible: unable to be forgotten or removed, thus existing eternally.

Impressions: the effects or influences something or someone has on a person as consequences of previous experiences.

Combined into a single entity, the phrase "indelible impressions" includes a wide range of possibilities. As a class, awards and school records are only the outermost layer of our legacy as the Class of 2015. Our elusive presence, unseen but unignorable, lingers in our wake, the product of our interactions with a variety of individuals.

Indelible impressions tug at the subconscious, demanding to be felt. The impressions that we have left scattered from our earlier years are both of the celebrated, widely recognized variety and of the type that flounders in the subconscious, without surfacing.

Indelible impressions need not be left only by the successful, the historical figures, the Olympic athletes, the celebrities, the Nobel Prize winners. The impressions left by these few famous figures touch hardly any on a personal level. Less groundbreaking, more personal impressions are those that inspire and instigate new impressions; thus the impressions that we leave are never singular or isolated. Our presence will forevermore mark our place in time as the graduating class of 2015.

With such a small collection of individuals in our graduating class, the impressions we leave are simple yet perpetual. No individual is ever entirely forgotten, because each individual creates an impression in the minds of others: as an athlete, an actor, an artist, a writer, a class clown, a locker neighbor, an NHD group member. Years from now, when high school is a distant memory, the names of our fellow classmates will still be recognizable, remembered throughout the enduring dimension of time. As the Class of 2015, the impressions that we leave behind are memorable, unforgettable, and long-lasting – Indelible.

Dedication

Mr. Paul Bacigalupo and Mrs. Illyse Rubin-Mahoney

Ms. Rubin grew up in Queens, New York and went to the University of Massachusetts Amherst where she double majored in both history and political science. Although being a teacher was not part of her plan after graduating, she absolutely loves what she does at Stoneham High School. Her favorite aspects about teaching at SHS are building relationships with the students and having the opportunity to really get to know them. She appreciates our friendliness and our true enjoyment of each other, our funny personalities, and our overall dynamic of just being a good group of students. Ms. Rubin's advice to all of us is to not let fear or uncertainty stop us from doing something different or branching out. She is very excited to see where our paths take us and she hopes many of the members of our class will come back and visit!

Mr. Bacigalupo grew up in Wakefield, Massachusetts and attended Salem State University and the University of Massachusetts Amherst for his undergraduate studies. He has been teaching here at Stoneham High for 20 years, which he loves because he thinks Stoneham has a great mix of kids, a fantastic passionate faculty, and an all-around wonderful quality. From a very young age, he realized he had a desire to impact society in a way that teaches new generations to prevent the world horrors such as slavery, the Holocaust, and unfair human treatment. In his opinion, the most memorable qualities about the class of 2015 are our warm, genuine, and respectful attitudes towards one another and towards the faculty. He urges us to remember Robert Kennedy's words, "Each time a man stands up for an ideal, or acts to improve the lot of others, or strikes out against injustice, he sends forth a tiny ripple of hope, and those ripples build a current which can sweep down the mightiest walls of oppression and resistance" and most importantly, to make a positive difference in the world.

Although the staff at Stoneham High School is one of a kind, Ms. Rubin and Mr. Bac hold a special place in our hearts. Their dedication and passion for teaching have made an indelible impression on the class of 2015. From Early U.S. History with Ms. Rubin, to Contemporary Issues with Bac, both classes were fun, interactive learning environments mixed with vast amounts of knowledge with new things to learn every day. Since their rooms are in one of the senior hallways, their friendly faces and booming voices were always great to hear the first thing in the morning. The class of 2015 is appreciative of the life lessons, the hilarious memories, and the lasting education we have shared with Ms. Rubin and Mr. Bac. We are proud to dedicate our yearbook to two of the most treasured teachers to walk down the corridors of Stoneham High School.

FACULTY

As we first entered the building of Stoneham High School we were just confused young freshmen. We wandered the halls with wide eyes and nervous feelings and only hoped that someone could guide us through. Fortunately, the teachers at Stoneham High School met our nervous and confused glances and took us by the hands to lead us to a path filled with lessons and knowledge. Throughout our four years, the class of 2015 has learned to walk independently, slowly letting go of these dedicated guiding hands. Somehow, we always knew we would look back and thank our teachers for getting us through some of our most difficult academic, and sometimes personal, times, and remember that they had always been there for us. They have taught us how to be inspired, to dream big, and to meet our goals. Even when we may have thought our challenges were insurmountable, we always knew we could rely on these mentors to help us through. We are fortunate that the faculty at SHS has such a passion for doing what they love and for supporting us.

Not enough can be said about the incredible teachers here at Stoneham High School for guiding us from young timid freshmen to the mature seniors we are today. The knowledge, wisdom, and advice they have provided have left many impressions, all of them indelible. From the Class of 2015, thank you.

Senior Survey

"During your SHS years, who has left the biggest impression on you and why?"

Anthony:

"I would say Mr. Arria because he could relate and talk to me about everything I was going through with my brother at the time."

Gina:

"During my high school years my friends and family have had the biggest impact on me because they are always there to inspire and support me."

Brandon:

"My mother because she had to see what no other mother wants to see their child go through during what should be the best time of their life."

Thomas:

"Ms. Rubin because I had her for 2 and 1/2 years and she was always very honest with me; she made me feel good about myself and helped me become a better history student. Her positivity also contributed to my overall enjoyment of high school."

Rhianna:

"I would say my mom because she has taught me that life never works the way you want it and that's okay. You just have to find a way to make it the way you want it to be."

Nicole:

"Paula Wilson because she helped me through everything and was always there for me."

Karen:

"Mr. Charles Freeman!! He made my freshman year so much better just by saying 'Hi' to me in the halls. He was also so kind to everyone. He's hilarious and makes me look forward to going to school everyday. He brightens my day and without him, we probably would be a school full of bugs."

Ally and Sandra:

"Definitely Ms. Chapman because she has taught us how to be open minded and loving towards everyone, and to also be the best people we can be both inside and outside of school. We can't thank her enough for everything she has done."

Maddy:

"The person that has made the biggest impression on me throughout my high school years is my grandmother. She inspires me to do the best that I can everyday. Her outlook on life is so inspirational and I will do whatever it takes to make her proud of me."

Matt A:

"Ms. Barde because she always encouraged me and challenged me to be the best I could possibly be."

Theresa:

"I would say my grandmother because she has taught me that even through the hardest times we just have to put a smile on our face and know that everything will be all right."

Jacob J:

"Coach X because he installed good morals within us. He also taught us to overcome our own biggest challenges on and off the track."

Colleen and Liz:

"During our SHS years, the class of 2015 has left the biggest impression on us because they have shaped who we are today because of their individual uniqueness."

Natalie and Melissa:

"Brandon, because even though he missed most of sophomore year for his treatment, he showed us how not give up and to fight for what we want in life."

Tiana:

"Ms. Swett because she is always there to listen and talk me through my problems."

Veronica:

"My team has made the biggest impression on me during my high school career because they always are there to support me and can make me smile when I'm down. They are like my second family."

Billy:

"My brother because he is my role model. Also, he calls me the last hope to go to college and graduate from there."

Haley:

"Mr. Bach because he changed my views and perspective on today's society and how people treat one another. He also taught me ways to help others and improve today's world by small actions."

Olivia:

"Ms. Farabangh because she taught me the importance of kindness and the importance of being involved in the community."

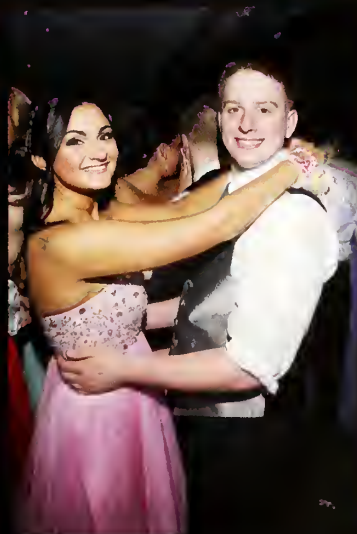

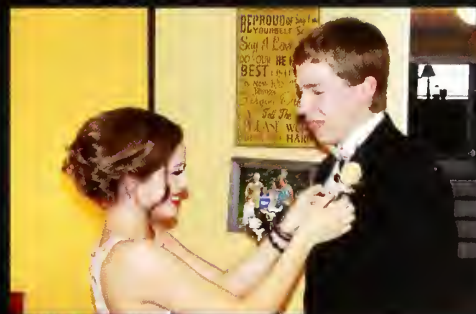

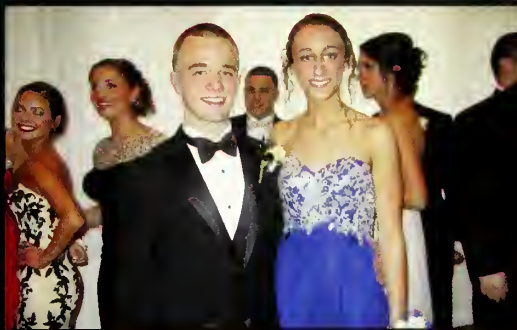

Erin M:

"Gabriel Araujo has made the biggest impact on me because he has always brought positivity into my life and he makes me smile when I'm at my worst."

ACTIVITIES

Fastrada and Lewis plot Pippin's downfall.

The cast and crew of "Pippin"

The Leading Player starts the show.

Pippin seeks advice from his grandmother, Berthe.

The Leading Player guides Pippin
"On the Right Track."

Pippin

Pippin searches for his meaning in life.

Pippin, a musical originally directed by Bob Fosse, is the story of a young prince (Jakob Michaels) who embarks on an adventure to try and find his "Corner of the Sky." His father, King Charlemagne (Ben Doucette), leads the army of players featuring the song "Glory" to educate Pippin on the meaning of being a soldier. This is Pippin's first attempt to find meaning in his life. Step-mother Fastrada (Alexandra Flammia) tends to favor Pippin's step-brother, Luis (Will Connell), the stronger, but less intelligent family member. Throughout the musical the pair work together to influence Pippin to decide that his role as warrior king is not his path in life. A visit to his grandmother Berthe (Dalilah Degen-Portnoy) tells Pippin that life is short and he needs to live life on a lighter note, motivating him to test the temptation of women and sexual endeavors. Finding it to be a plausible path in life for a short time, he ultimately realizes that it is too much for him to handle for the rest of his life. Finally, Pippin learns that his true role in society is as a normal person living with love interest Catherine (Natalie Daniels) and her son Theo (Casey Moriarty) on a farm away from the controlling life of royalty.

The true twist of this musical comes with the rest of the cast: no one but Pippin is who they claim to be. The Leading Player (Alyssa Bene) controls the rest of the players, including seniors Gabrielle DeLeon, Nicolina Jackson, Cameron Lemay, Erin Napier, and Jeremy Peloquin, all of whom try to get Pippin to the finale of the show by playing any character needed at that particular time in the show. The long awaited finale, including the musical number "Magic Show and Miracles," is an upbeat tune to celebrate the decision Pippin has finally committed to - setting himself on fire. The celebration is short lived, however, because Pippin, Catherine, and Theo join together to boycott the Leading Player and all she has created. This leads to the destruction of the set, the undressing of actors, the removal of lights and microphones, the exit of the remaining players and lastly, the exit of Pippin and Catherine. The conclusion to the performance is the return of Theo finishing Pippin's song "Corner of the Sky," ultimately taking Pippin's place in the cast of players.

Other seniors involved in the making of this production include Erin Napier with set design and technical direction and Angela Cutone in house management, as well as lighting with Danielle Clough. Helen Driscoll, Sarah Boussy, and Deric DeFabrizio created an array of art pieces, including the colorful set, posters and t-shirts. Make-up artists including Kathryn Piasecki and Mara Antoniou arrived hours before the show and began transforming students into old women and interesting circus creatures. Elise Briand, Maxwell Ye, and Thomas Yewcic helped construct the set designed by Erin Napier, transforming the Stoneham High School stage into a variety of settings. Many thanks to Director Mr. Jason Epps, Art Director Ms. Danielle Catalano, and Musical Director Mr. Robert Lague. The performance was a great success.

Senior Cast and Crew

Players watch as Pippin makes his appearance.

Pippin murders King Charlemagne.

Catherine introduces herself to Pippin.

Leading Player and her soldiers perform the Manson Trio.

Theo, Pippin, and Catherine boycott the Leading Player's "finale" of Pippin's life.

What was your favorite memory of Pippin?

"Watching the whole show come together in four weeks, both cast and crew."

--- Max Ye

"The ending scene when Casey sang a cappella and the set changed from concrete walls to a circus arena."

--- Helen Driscoll

"Controlling the spotlights during the finale. The back and forth motion with all the players dancing together reminded me of a professional show."

--- Danielle Clough

"Getting to experiment with colorful make-up to transform the cast to circus players."

--- Kathryn Piasecki

Gina lights the candle for Leadership.

WORLDS FROM THE WISE

President Michael Young

"Scholarship is the product of intelligence, effort, and a genuine desire and passion to learn. All of the inductees tonight exhibit these qualities, making them all excellent candidates for induction. Each one of them has persevered through countless academic obstacles to reach this point in their education."

Vice President Olivia Gaughan

"Service, as with most things in life, only requires effort and will power to be completed. Service is the outcome of selfless and generous minds, which you all possess. It revolves around the sacrifice of our own desires and needs, whether local or global, in order to benefit someone else."

Secretary Gina DiCarlo

"We all have the ability to be leaders and almost everyone already is without even knowing it. Leadership does not always have to be on a large scale, it can include small actions like taking charge of a group project, or volunteering first in class."

Treasurer Kayla Shepherd

"Ultimately, character is determined by our daily choices. Our character decides whether to say 'yes' or 'no' and acts as a moral compass, helping us determine right from wrong. And in the face of adversity, inductees consistently display unwavering character; they remain honest and true to what is right."

Erin and Michael set up the cell tower.

What was your favorite memory of Carnival Ball?

"I loved getting close to everyone! Also, performing one of my favorite numbers, the *Cell Block Tango*, in the first-ever host act."

- Erin Napier

"My favorite part of Carnival Ball was definitely the *Cell Block Tango*. Between Erin's choreography and the lack of talent between Chris and myself, we were able to create something hilariously excellent that was well done and mildly foolish at the same time."

- Matt Turner

"There were so many great things about Carnival Ball, it's hard to pick just one! I think I enjoyed having Erin and Matt as amazing co-hosts and working with all the great people who were involved in the show the most."

- Chris DePalma

"It was great for the senior class to come together for the last time. I really enjoyed spending time with and becoming closer to everyone."

- Erin McDermott

"My favorite part of Carnival Ball was being able to spend time and share laughs with my fellow court members. I was also very happy to see Anthony could make it to Carnival Ball this year."

- Joe Egitto

Captains Words

As captains and seniors, we are so proud of what our team has accomplished this past field hockey season. Every moment spent with our team was filled with laughter. Our season had a rocky start but we immediately changed course and powered through our games. We had some amazing wins against many teams including Melrose, Burlington, and Woburn. Even though we did have some losses throughout the season, we kept our heads up and continued to work hard and proved to be a great team. We improved tremendously this season, with only 6 points left to make it to tournament. We were all a little disappointed when we found out we would not make it to tournament, but we continued with a strong end to the season. Whether it was senior Liz Kelley having a breakaway down the field to score a goal, or senior Christina Romeo defending the net, the entire team was determined to work hard. Unfortunately, the team faced many injuries. Senior Erin O'Connell hurt her knee and was unable to play most of the season. However, she came back better than ever towards the end of the season, and was able to play our last few games. Senior Katherine Giordano was not able to play this season either, but was thankfully the team's trustworthy manager who dedicated her time to coming to every practice and game, cheering on the team. Regardless of the injuries, and players who could not play, our team continued to work hard striving to make each other better players. We practiced every day on our stick work, dribbling, and other skills, while still having fun. We had multiple pasta parties, dress up days, and scavenger hunts in order to bond with each other and make the season fun. We are definitely the only team that can lose 8-0 and still sing on the bus the whole way home!

The Field Hockey team was determined to be the best team it could be, both on and off the field. Both the Junior Varsity team and Varsity team participated in everything together, making us one team. We will never forget the good and bad times we have all shared on the field. Everyone on the team has truly made this season one of the best seasons ever. Special thanks to our inspirational varsity coach, Mrs. Adams, as well as Junior Varsity coach Alycia Whooley. We would like to thank everyone on the team for making our four years of field hockey an unforgettable experience, and wish good luck to the team next year.

Captains Words

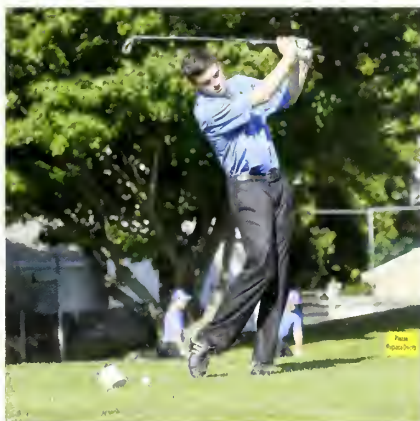

This year the golf team had the most success we have had in several years. It was also the first time in over four years in which the team was required to make cuts due to a remarkably large amount of hard-working candidates. Led by Coach Tom O'Grady, the team was poised to have a comeback season. The two captains, TJ Finn and Cameron Lemay, were both excited to participate in their fourth and final year of golf. Returning juniors included the competitive trio of Dillon Horgan, Brendan Tarmey, and Noah Coccoluto. Among the returning sophomores were Tommy Finn, Cole DiGangi, Andrew Scarpa, Pat Gallahue, Sean O'Grady, and Jon Burns. Lastly, the extremely competitive freshmen Phil Conway, Luke Nusslein, and Cam Gilmartin provided strong depth for the team.

Unfortunately, three matches into the season our team had disappointingly fallen to 0-3, opening with a tough loss to a marred Wakefield team. As quickly as we fell to 0-3 our team recovered with three straight wins, two of which guaranteed our team a spot in the Division III State Tournament. Now boasting a 3-3 record our team found motivation in our success. From match to match our team became more competitive with consistently close-scoring matches by our number one and two golfers, Cole DiGangi and Phil Conway.

In the end, our team finished the season with a brilliant record of 6-9 and qualified for the State Tournament where Cole DiGangi, Phil Conway, Tommy Finn, Dillon Horgan, Luke Nusslein, and TJ Finn represented Stoneham High School. Without a doubt this year has been the best season in recent history. The team is looking forward to growing and developing even more next year and hopefully being able to boast a winning record and possibly even a league championship.

Captain Reiko Laski, Coach Polizzotto, and Captain Jacky Nolan

Captains Words

This season our team's success was not shown by our record but by the countless personal records achieved and goals that were consistently met throughout the season. We had a team of 10 girls, each one bringing a different strength and who worked hard every day at practice. The team was led by Captains Jacky Nolan and Reiko Laski. Jacky worked hard to remain injury free while competing in every meet and ended her season with a personal record at the Divisional meet. Reiko consistently ran with the top group of runners trying to make a personal record in every meet. Our third senior, Lauren Olton, was new to the team and worked hard at practice every day while challenging herself to complete tough workouts. Jes Brown, also a new member, finished in first place in two of the league meets and with these accomplishments was able to earn a Middlesex League All Star. Nike Asupoto and Catie Rappa ran together in the front of the pack of runners and were able to push each other in meets and in practices. Sophomores Maeve Rondeau, Clara Dooley, and Victoria Garcia were all able to have huge personal records at the last couple of meets and met the goals they set for themselves. We were also excited to have one freshman, Jeng Yu Chou, who made major improvements throughout the season. This is a young, growing team which has promising seasons ahead. We could not have asked for a more memorable season and we are so proud of everyone. We all worked extremely hard from our first meet to our last. We would like to thank our Coach, Kristen Polizzotto, for working so hard for us and supporting us in everything that we did.

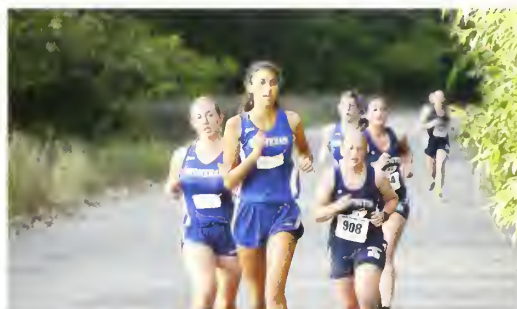

The two teams build camaraderie after a successful meet.

Captains Words

This fall season brought great change to SHS cross country. To start, three new captains, Matt Turner, Nick Ford, and Jacob Jackson, stepped up to lead the team through a season of hard work. The three of us had a lot of responsibility and it took determination to be mature role models for the underclassmen. As the season progressed, we gradually lifted the torch of leadership and instilled strength, knowledge, and courage into the hearts of our runners. But that wasn't the only big change. Coach Bailey, a knowledgeable man, was tasked with the job of coaching a group of young men that had now seen three different coaching styles in their four years of cross country. From Coach Powers, to Coach X, and now to Coach Bailey. As a team, we were a bit unstable. Although the task was daunting, Coach Bailey was able to muster the team and create an environment where everyone worked hard and enjoyed himself. This year, for the first time in a while, our team was able to win a meet and, for the first time in ten years, we were able to achieve individual victories. Alex Censullo was able to take first place in a few of our meets, despite this being his first year on the team. Finally, one of the most important changes was the participation from the freshman class. Each year, very few, if any, freshmen join the team. However, this group of freshmen seems quite promising, and we hope they have learned what we have tried to teach them and carry on our legacy. We had a fantastic season, and we wouldn't trade our four years of cross country for the world. Good luck to the team next year.

Captains Words

Despite continuing losses, the swim team maintained high morale and many members achieved personal goals and made significant improvements, allowing us to place fifth at the League Meet. In addition, we also beat our long-standing rival Reading High School. Julia Rizzo, Allison Morse, Mackenzie and Bailey Day, Mara Antoniou, Kaylie O'Connell, and Kathryn Piasecki continued the season and represented the team at North Sectionals and the Division II State Championship Meet, placing in the top half out of nearly two dozen teams from around Massachusetts.

Not only did we have a successful season, but five school records were broken. Additionally, Kaylie O'Connell, Kathryn Piasecki, Bailey and Mackenzie Day, and Zach McCarville were all awarded the title of Middlesex League All-Star. With only twenty members on the team, having five members achieve All-Star status proves that size is not everything.

We sincerely wish to thank our coaches Mr. Hech and Mrs. Collins for a great season and for their unwavering support. Good luck to the team next year!

After a difficult season and the loss of twelve talented seniors last year, our team was prepared for major changes before pre-season even began. We worked tirelessly at captains' practices, summer league games, and workouts to get ready for an important season ahead. We were pleased with the dedication of many players during pre-season, and we saw the potential for our team to turn things around this year. In the beginning of the season, we suffered tough losses to Arlington and Belmont, but saw a change in team spirit after our game against Winchester. Through pasta parties, late practices, and team rituals we developed a trust and confidence in one another. We began to turn things around after our victory against Wakefield and ended the season with three other wins against Watertown, Lexington, and Reading. We were thrilled when we qualified for the tournament but were unsure of how we would match up against other teams in Division III. Fortunately, with the help of our devoted coach Ms. Chapman and the guidance of Coach Swett and Coach K on the sidelines, we defeated Hamilton-Wenham in the first round of the tournament. However, we suffered a devastating loss in our quarterfinal game against Swampscott despite the effort and determination of everyone on the team. Even though we wish we could have continued our time in the tournament, we were proud of the improvements we made. We could not have asked for a more dedicated, spirited, and hardworking group of girls and we are proud to be the leaders of this team. Our team motto is to always play with HEART and our team exemplified this both in practices and in the games. We are grateful for the memories and accomplishments we made this season and wish everyone the best of luck next year!

Captains Words

This was a very fun but extremely difficult season. Starting off, we want to praise all the seniors for consistently putting in a full effort every game and practice, despite our record. No one ever gave up, on each other or on themselves. This year was another year of many injuries. Luckily, unlike last year, there were very few season ending injuries. Some examples were Pat Grady's broken leg against Melrose, Sam Danis' sprained ankle against Wakefield, Evan Marchant's concussion against Reading, Kevin Markiewicz's concussion against Burlington, and last but not least, Joe Egitto's head wound against the lock on the fence. In the beginning of the season, we did not look like much of a team during games. However, as the season progressed, we learned how to play together and started looking like a real team. That is when we started to score goals, for instance during the Wakefield game when we were down 2-0, but came back in the second half to tie the game 2-2. Despite our not so stellar record there was a lot of improvement over the course of the season. Joe Egitto stepped up by taking on a big leadership role on defense. Ryan Lanza also worked extremely hard in practice every day, earning his place in the starting lineup. We would also like to recognize Trey Spardocia who had to play almost every position on the field, filling in for injured players and giving everything he had every game, while barely ever getting subbed out. Most of all we would like to thank our head coach, Jeff Kirkland, for a great season, and wish good luck to SFC next year.

The 2014 volleyball season was definitely one of the most successful seasons yet. Everyone exemplified continuous dedication and commitment throughout the entire season, which played a key role in strengthening the team as a whole. As a result, we qualified for the Division II State Tournament for the 4th year in a row! This was a huge accomplishment as many doubted our chances of doing well this season. We would not have been able to make it to tournament without the help of Coach Paul Hardy and Coach Tom Sullivan. Coach Hardy always pushed us to our limits and inspired us to become the best volleyball players we could be and Coach Sullivan was always one of our greatest supporters. We were able to beat Marblehead in the first round of tournament in a nail biting 5 game match. This was an exhilarating highlight of the season as we came back and defeated Marblehead after losing the first 2 matches. Unfortunately, we suffered a loss against Weston and fell short of qualifying for the semi-finals. Nonetheless, we finished the season with a record of 13-10 and we could not be prouder!

Leading the team to success were Captains Olivia Gaughan, Michelle Leong, and Rhianna Gould. The girls motivated the team to have positive energy on and off the court, which created a strong feeling of unity among the team. In addition, Michelle Leong and Olivia Gaughan were named Middlesex League All Stars, and for the first time in Stoneham Volleyball history, Olivia Gaughan was named Most Valuable Player in the Middlesex League. Other key contributors to the team were seniors Cristina Eramo, Alessia Guglielmi, and Cassandra Susi. Their dedication and love for volleyball over the past 4 years is admirable. Everyone on this team had something positive to offer, which created our close bond. We created lasting friendships and memories through our pasta parties, team sleepovers, and sing along sessions on the bus. Although the end of the season was emotional, the 2014 volleyball season was definitely unforgettable! We wish much good luck to the team next year!

This season the Football Team had some low points, but it also had many triumphs. It started with winning our first two games of the season against Belmont and Medway. Beating Belmont was a great win for our team as we defeated the team coached by our former coach whom many of us admire. However, after defeating those two teams, we faltered, coming into the league losing five straight games. This losing streak tested our team's toughness and dedication to the sport as we continued to work harder and focus on the small aspects of the game. We knew that if we wanted to start winning games we needed to work as a family and to learn that success develops from hard work and sacrifice. We had to buy into our program and live by the quote, "Team First, Team Only".

With our consistent enthusiasm and perseverance, we were able to succeed, winning three consecutive games on our way to facing Reading on Thanksgiving morning. Although we were not able to defeat Reading in the final game of the season, our team came away from the game with more confidence and pride than we had all season long. For the rest of our lives we will always be a team and forever remain "Together".

Team Captains Jonathan Sparco, Shane Rhuda, and Nick Toussaint would like to thank the team for all the dedication and effort. Thanks also to Coach Almeida and Coach Jackson, with a big shout out to Coach Yancey!

This year, the fall Cheerleading Team had one of its best seasons to date. Led by our new coach, Erica Barnaby and Co-Captains Gina DiCarlo and Veronica Kelly, this team was always striving to work together to accomplish many achievements. We focused on team bonding by making it a priority. This allowed us to create a more lively and upbeat atmosphere at the football games.

Our close relationships also benefitted the team both on and off the competition mat. With our primary goal of competing at the State Competition, we dedicated ourselves to perfecting our routine, and as a result, we were able to overcome many obstacles along the way. At the Middlesex League Competition, we placed 3rd in our division and advanced to the Regional Competition where we earned 5th place. Our high scores allowed us to accomplish our goal of qualifying for States.

At the state Competition we were ranked 5th out of every team that competed in Massachusetts. It was definitely a memorable season for the fall cheerleaders and the team will be remembered forever!

Thank you to all the members of the team for their dedication and effort. Many thanks to our amazing coach Erica Barnaby. Good luck to the fall cheerleading team next year.

This season the girls track team made major strides. Our record was 2 wins and 3 losses, but the team was very competitive in every meet. Every member of the team worked extremely hard day in and day out, while staying positive and injury free. At every meet each member from the Freshmen to the Seniors supported one another, always lining the track to cheer on those competing.

With all of the hard work, community service, and sportsmanship shown throughout the season, we were able to win the Division IV Sportsmanship Award. Our 4x400 meter and 4x800 meter relays also competed at the State Meet with Lauren Olton advancing to the All-State Meet. All of the girls worked hard to achieve individual and team goals. The theme for our last dual meet was "Leave It All On The Track" and that is exactly what the team did. We had a great meet, we came together as a team, and we were able to win.

The future of Stoneham Track and Field is very promising. This year, the team included 11 seniors: Captain Jacky Nolan, Captain Lauren Olton, Cassandra Susi, Erin McDermott, Gabbi Carpinella, Julia Yewcic, Kayla Shepherd, Reiko Laski, Eden Perozo, Ally Little, and Alvina Quadery. We would like to thank our coaches, Coach Polizzotto and Coach DiLisio, for their dedication, support, and commitment throughout the season. Thank you, everyone, for an amazing and memorable season.

The indoor track season was filled with both triumph and loss. Although our record was 1-4, we do not think that it truly shows how much effort was put into the season. This winter was filled with new faces; though we lost many valuable athletes last year, we also gained many new athletes with much potential. Leading the team this season were our four captains, Thomas Yewcic, Michael Young, Jimmy O'Brien, and Matt Bergin. Thomas led the distance athletes, Michael led the throwers, and both Matt and Jimmy led the sprinters. With all of the new team members, we tried our best to be sure that each individual had a successful and enjoyable season.

Much of our success can be credited to our seniors. Kevin Markiewicz, Jefferson Elien, David Agcaoili, Jacob Jackson, along with captains Matt and Jimmy, led our many new sprinters. Matt Turner, Mike Aliu-Otokiti, and Alex Avola helped the many new hurdlers and jumpers who joined the team. Thomas Yewcic, with the help of Nick Ford, led the distance crew, while Michael Young led the throwers along with the help of Gabe Araujo. Although Jacob Moriarty and Jimmy O'Brien were injured this season, they were still important and supportive members of the team.

Our meet against Melrose was definitely our best meet; every single athlete proved himself to the members of the Middlesex League. We held our ground and beat Melrose 49-37. Also, many achievements were reached this season. Captain Matt Bergin broke the school record in the 600m, earning him the title "Middlesex League All-Star." He along with Michael Young and Alex Censullo qualified for states, proudly representing the Stoneham Indoor Track and Field Team at the State Meet at the Reggie Lewis Center. Despite our record, we are quite proud of the work we put into this season and hope to see continued success in the upcoming outdoor season.

Our team certainly weathered its fair share of obstacles over the course of the season, facing personal as well as competitive challenges, but the ending could not have been any sweeter. While the season appeared to be off to a rather rocky start with only a handful of girls on the team, our small size allowed us to come together and emerge as a family. After nearly a month of preparation, we were finally ready to tackle our first opponent, Melrose, one of the strongest teams in not only the Middlesex League, but in the entire state. Nevertheless, we did not let this curb our determination and despite losing, posted an impressive score of 129. Several days later, we defeated our bitter rival Reading, 132-127, improving our team score by nearly four points.

Our team came through when we needed to due to a lot of hard work. We fed off of our successes and motivation to do our best for the team score. When it came to those tough losses, we became stronger. We couldn't be more proud of this team, from day to day, practice to practice, fall to fall, our team kept spirits up and motivation growing. We bonded through many pasta parties and team dinners and had so much fun together, which only made our team closer and stronger through the season. We won our league meet and it couldn't have felt any more amazing. We kept it classy as they announced our highest score of the season! This was a great team and we wish them all the best of luck next year!

After losing eight seniors last year, we returned with only four varsity players. With an entirely new group of girls, we knew we would have to rebuild. Although our record doesn't show it, we put 100% of our effort and willpower into each game and our morale and spirit remained high throughout the season. We fought until the last minute of every game, despite the fact that we came up short in many of them. Losing close games built our character and made us work even harder in practice the next day.

The seniors this year on the team were Olivia Gaughan, Alley Beane, Maddy Kelly, Kara Rock, Haley Foley, and Emily Cogan, who have been playing basketball with each other since the clinic years. Captains Alley Beane, Olivia Gaughan, and Maddy Kelly, as well as fellow seniors, focused on reminding the team that winning was not nearly as important as the experience of coming together as a team every day. Whether on or off the court, our team was constantly having fun. From pasta parties, to cheering on our teammates at practice, to bonding simply as friends, the good memories we shared will always remind us of the indescribable feeling of being part of a team. One of the most memorable games was a Friday night home game against Melrose where a buzzer-beater basket gave us the win by one point.

Thank you to our coach, Mrs. Mills, who dedicated so much of her time and knowledge to this program and made our last season unforgettable. We came into the season lacking experience and chemistry, but the team at the end of the season was remarkably transformed from the team at the beginning; we improved immensely, became confident with the ball, communicated well, and played as one unit on the court. Last but not least, we want to thank our team for making our last year so memorable. We wouldn't have wanted to spend it with any other group of girls and we wish the best of luck in the future to every one of you!

Last year SHS had one of the best basketball teams Stoneham has ever had. We succeeded in making it to the finals at the Tsongas Arena in 2014. Unfortunately, our team lost ten of those twelve players due to graduation. With only junior Shane Rhuda and freshman Devon Chase returning, we had no idea what to expect. We knew this year would be a rebuilding year before the season had even started, but we still went out every day with one goal: To make the tournament. We knew that when a team is in the tournament, anything can happen, which is why that was our goal.

Surprising many, we started the season strong, winning two out of our first three games, with one of those wins coming against a very good Winchester team, who had ended their season with a 15-5 record. Going into the winter break we started to struggle, but we knew if we played together, we would reach our goal. We did just that. In the last two weeks of the regular season, we started to play really well as a team and officially qualified for the state tournament after beating Watertown, the team that knocked us out last year. This was a tremendous thrill because we knew how much we were doubted throughout the season. However, our last game of the season came in the tournament and we lost a tough game to Lynnfield in the first round. We finished 5-15, but were much better than our record showed.

It was a tough ending for their final year, but we would like to thank our seniors, Captain Shane Rhuda, Captain Cyrus Dehmand, Justin Oliphant, and Ryan Mooney for a terrific season and we wish them all good luck in their future endeavors. We also wish this young team good luck in the future, because with the talent they have, there is a very good possibility they will be back to the finals shortly. Thank you to all who supported us throughout the season. GO SPARTANS!

This year the hockey season showed great improvement over last year. Despite some doubts, we were excited to start our season knowing that we were getting some new talent. Our ending record was 4-12-4, but that does not reflect the hard work and dedication each girl put into practices and games. One of our major accomplishments this season was making history and beating Arlington 3-0. We also made history again by tying Lexington 2-2.

A big thank you goes out to our three coaches, Coach Swett, Coach Serino, and Coach Furrier. Thank you for pushing us to do our best, and for supporting us on and off the ice.

Another big thank you goes out to every single girl on this team. In the end, it will not be the shifts we skated, the periods we played, or even every game we won, but it will be the memories made that will be remembered for a lifetime. From zipping each other up in our bags, going out to dinner, or even hanging out in the locker room blasting music, there is no other group of girls that could have made this a better season for us. After these few building years, our team has improved and will be a strong competitor in the league next year. Thank you to this team for an unforgettable season. With every season comes a challenge. Our challenge was getting into the tournament. With numerous injuries, we were able to make the tournament by way of the "Sullivan Rule." We battled in a thrilling playoff game against North Reading, coming short with a 4-0 loss on a tough first goal and 2 empty net goals as well. We finished our season 5-13-2 with some hard losses.

We play in a very strong Middlesex League against many Division 1 teams like Burlington and Woburn, who made it to the Super 8. Our biggest win was against Watertown, which clinched our way into the Division 2 tournament. We won the Haverhill Christmas Tournament for the 3rd time in 4 years, with a championship win against Shawsheen Tech.

Although we did not have as special a game as the Frozen Fenway, the team this year was as close as we ever have been. We are all friends now and will be for the rest of our lives. We spent time outside the rink at pasta parties, team dinners, and team bonding. The future for the boys on ice looks bright, as the underclassmen showed a great deal of hard work and effort this season. We may not have had the talent, but we had the character.

Finally, we would like to thank our coaches and seniors for making this year a memorable one. Coaches Sacco, Scarpa, Scoutletis, Drago, and Stead were not only coaches to us, but they were friends and role models we could talk to on and off the ice. Our seniors included Captain Brandon McCarthy, Assistant Captains Nick Toussaint and Jon Sparco, along with Anthony Cappuccio, Mike Halpin, TJ Finn, and Greg Beauclair. All the seniors led the team this year and created a bond that will be carried on for the rest of our lives. We are Spartans, we are family.

MEMORIES

There are so many memories that everyone experiences in high school, whether it be prom, sports, or school events. The memory that I will never forget is my first day of sophomore year. After a summer of bad news and terrible experiences with my health, I set goals, and my first goal was to walk into school with my friends after being diagnosed with cancer. Walking into school that day put a smile on my face and on the faces of all my supporters.

- *Brandon McCarthy*

I began my time on the swim team in freshman year by hearing of the many victories and triumphs of the team the year prior. As the first year unfolded, though we swam hard, it became clear that we were not going to win any meets. Again, in our sophomore year, we swam and swam, but to no avail; it was another year without victories. It was slightly disheartening, but we persevered through our losses as a team. During junior year, we had a few close meets which gave us all a glimmer of hope for our last year. As we entered senior year, we knew we were a stronger team with many excellent swimmers. As a team, we would often discuss the opposing teams we thought we had a chance of beating; the team we were most likely to beat was Burlington.

We entered the Burlington Meet hopeful and energetic. Every person on the team put forth great effort to capture a win, and we did! We successfully won our first meet since the fall of 2010. When the scores were announced, everyone's jaws dropped and we all screamed and jumped and hugged. It was such an incredible feeling and an incredible achievement to experience with a wonderfully passionate team. We talked about the win the whole ride home and for the remainder of the season. At the league meet we placed fifth out of twelve teams, another memorable moment for every swimmer.

- *Jessica Spinali*

I remember when I was on the JV soccer team. We were playing a match against Wakefield and we were losing by two points. The coach told us not to worry and to do our best, then gave us an inspiring speech. We had ten minutes left and everyone thought we were going to lose; all that changed when I scored two goals in the last five minutes. It was a feeling I could not describe. It was scary, but amazing at the same time! My friend Justin scored the winning goal and we won. This showed me that nothing is impossible! You just have to believe and never give up!

- *Fredalex Kagai*

I remember junior year as a peer leader, our class had just finished wrapping presents for underprivileged children at the Alliance House in Stoneham. I vividly remember the look on the kids' faces (and some of the faces of the adults as well) when we hauled in gift after gift. Their eyes lit up like Christmas trees. I felt an indescribable happiness knowing that I helped make someone's Christmas a little better.

- *Marc Colangeli*

I would say that the best memory for me throughout high school would be our 2014 boys basketball tournament run. For me, it was special because I got to play with close friends who I have known for several years. Specifically, the best memory would have to be our home playoff game vs. North Reading. I was amazed by the support of the school and community and was honored to play in front of them all. I remember vividly a shot that I took right in front of the fan section that made them erupt with excitement. Today, I can still picture our fans storming the court after the final buzzer. I have never been a part of a team so close and unique as the 2013 boys basketball team. Throughout my four years at Stoneham High School, this one game gave me the greatest feeling in the world and with that, I will never forget that special game at Stoneham High School.

- *Shaue Rhuda*

My favorite high school memory was when our drama club made it to the state finals for the METG Drama Festival. We put on a controversial play that we felt very proud of, but we were skeptical about how it would be judged. We had moved on from the first round, and now at the semi-finals, we held hands in the audience, anxiously waiting for the final school to be called. We felt sure we wouldn't be moving on. When they called "Stoneham High School: *Spring Awakening*", we all jumped up from our seats and started crying and hugging each other. We were so excited we actually forgot to go accept our award! Knowing that we made it to the top of 117 shows all over the state, and accomplishing this as not just as a club, but as a family, made it the most rewarding moment in my high school career.

- *Sarah Boussy*

I will always remember annoying my best friend, Greg Hoffman, with the latest Euro-dance music, playing it on the way home from every soccer game. The song was called "Victory," even though we lost every game. It was a song to get everyone in the mood to try harder, to get better, and to put the best days ahead. With my success at this school to encourage me, and that anthem of "Victory" as my inspiration, I hope to do just that.

- *Stepheu Hussar*

It was first lunch on June 13, 2014. Mr. Cummings' entire fourth period honors chemistry class had bought him seventeen cookies from the cafeteria, in honor of his birthday. We had been looking forward to this day for weeks. With the help of Ms. Chapman, we were able to decorate his classroom with vibrant balloons, streamers, party hats, and a sign that said "Happy 6th Birthday". We spread all seventeen cookies from the front of his desk to the end of his desk. We brought in two cakes for him as well. Ms. Chapman took Mr. Cummings to her office for fifteen minutes. In that time, our hearts were racing just to get all the decorations ready for his arrival. By the time he came back, we were all perfect angels sitting in our seats waiting to scream "Happy Birthday". His facial expression was one of a kind; I don't think that I have ever seen him that happy to be with us.

Even though the party didn't last too long, with the help of Dr. R, we were able to get a group photo to help us all remember that glorious moment. This was definitely my favorite day of high school. I wouldn't trade this memory for anything in the world. It was the best surprise party and I can't wait to do it again (that's right I'm coming back!).

See you then, Mr. Cummings.

KEEP ON SHINING ROCKET

YOU'RE OUR STAR

Dina Paige Miller

CONGRATULATIONS!

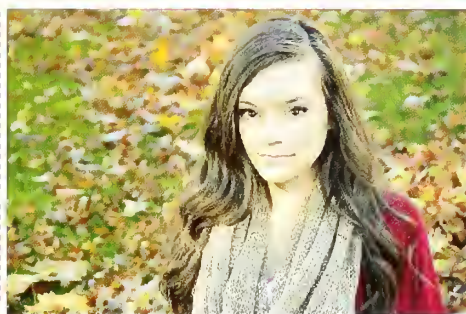

Words cannot express how blessed we are to have you as our daughter.

Your determination and perseverance has been truly amazing & we couldn't be prouder. Watching you grow from a sweet little girl to a compassionate young lady has been such a joy.

You have brought so much happiness, laughter, silliness, and excitement to our lives & we cannot wait to see what your future holds.

Follow your dreams & remember... pursue what makes you happy!

We love you with all our hearts!! Mom & Dad (Harley, too! 🐾)

Congratulations! We are very very proud of you and the accomplishments you have achieved so far.

We wish you the very best in your future and in all you do.

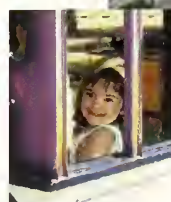

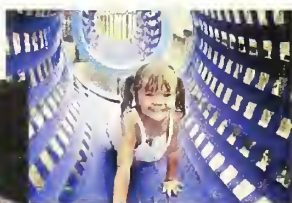

We love you very much! Gramma, Tata Eddie, Great Grams, and Uncle Mike

You were the first (and only!) baby I've ever held. I always loved when you would show up as a little Cat and cheer for me. We knew you'd grow up to be something special and you've surpassed that. I am very proud of you & wish you even better in the future. Love, Uncle DJ

Congratulations Dina! ♥ Auntie Lis, James, Aiden, Liam, Reggie & Riley

Oh the places you will go!
